Solutions for load handling

Cranes 4 Hire cc has been recognised by its clients as the best service provider for crane hire in the Mpumalanga province. Since 1997 the company's fleet has grown to include cranes from a small 8 ton truck-mounted mobile crane to 140 ton mobile crane. In addition a flat bed truck and rigging equipment are available from Cranes 4 Hire cc.

Our fleet offers reliability, accurate lifting and good service delivery.

Cranes 4 hire cc is currently working on a diverse range of projects. We will tailor any lifting requirement to the customer's specifications and needs.

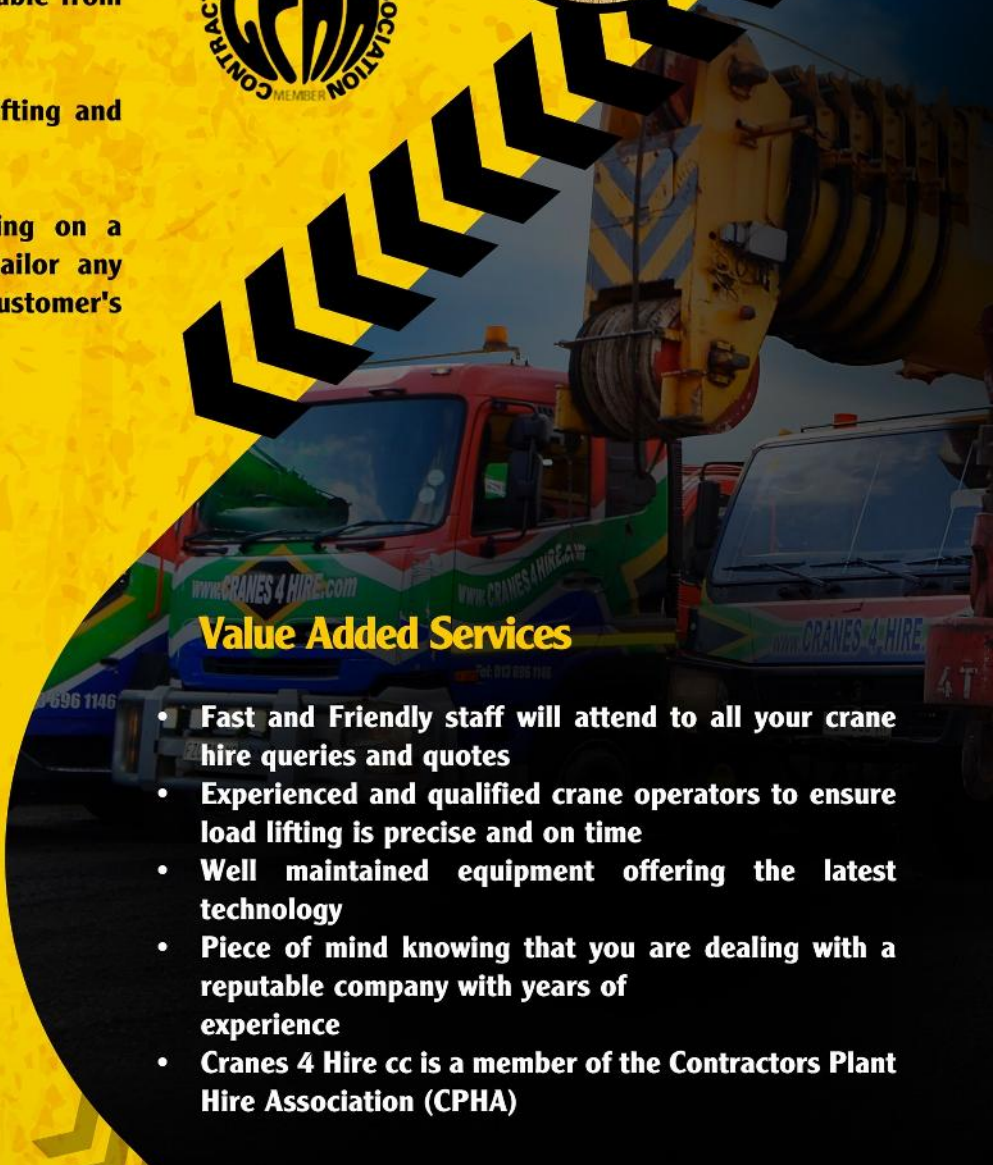

At Cranes 4 Hire cc it is an ongoing process of hiring the best people, with the best training, the best planning and the right attitude. We have an uncompromising attitude to excellence. There are no short cuts in this business where planning, preparation and safety not only saves time and money, but can save lives.

Cranes 4 Hire cc plans to continue to deliver the best crane hire service by working 24 hours, 365 days a year to ensure all our clients' needs are met. As a BEE compliant company we endeavour to ensure that all our staff members receive training that uplifts them and thereby ensuring that our clients receive excellent service.

Value Added Services

- Fast and Friendly staff will attend to all your crane hire queries and quotes
- Experienced and qualified crane operators to ensure load lifting is precise and on time
- Well maintained equipment offering the latest technology
- Piece of mind knowing that you are dealing with a reputable company with years of experience
- Cranes 4 Hire cc is a member of the Contractors Plant Hire Association (CPHA)
